FLORAL COLLECTION

Floral Art, originated in Canada, designed in California is inspired by the natural gift of life, flower. A flower is an image that reveals the idea of a state that grows and flourishes, uniting in yourself a variety of characters. Floral Art is all about recognizing and appreciating the Indigenous Nations worldwide!

These scarfs are traditionally European and were often traded or gifted in North America. So to honour, support and stand with our friends from wherever you may be wear your Kokum Scarf with pride!

Floral art is now available in a whole variety of products ranging from apparel to bedding, car accessories to hair accessories, products for all weathers; rain or shine; we have everything!

A portion of our proceeds from the sale of all Floral Products will be donated to **Unicef Canada** to improve the life of people in Ukraine. Thank you for your support!!!
